Package list: Watch x 1, Charging cable x 1, User manual x 1

#### 02 Charging

Align and fit the charging contacts on back of the watch to the metal contacts of the charging head, wait for the watch screen to display charging power indicator.

Precautions:  
1. Please use the charging cable in the package, and dry the charging contacts before charging.  
2. Connect the charging cable to a standard USB charger purchased through regular channels, and a power adapter that has obtained CCC certification and meets the standard requirements.  
3. If the watch cannot power on after being left for a long time, when used again, it need to be pre-charged for about 1 minute to display charging icon.

#### 03 Download and match

Haylou Fun App ( hereinafter referred to as App ) is a must-have app for using the watch. You can manage your watch and experience more watch functions through the App.  
1. Press and hold the power button of the watch to power on.  
2. Scan the QR code on the watch screen with your mobile phone to download the App.  
3. You can also scan the QR code below or download and install the App in the app store. Phone users can also search, download and install the App in the App Store.  
4. Open the App, click "+" in the upper right corner, and select "Scan" to scan the QR code to pair. Or select "Add device" to search and pair in the device list according to the name of the watch. Please confirm the Bluetooth name of the phone and the watch are the same when pairing.  
5. You can start using the watch after pairing successfully.

#### 04 Wear

1. For daily wear, wear the watch about one finger distance from the wrist bone, and adjust the tightness of the strap to a comfortable position.  
2. We recommend to tighten the watch strap during exercise and loosen it appropriately after exercise.

Note: Wearing too loosely may affect data collection by the heart rate sensor.

#### 05 Strap assembly and disassembly

If you need to assemble/disassemble the strap, please refer to the diagram.

Note: After assembling the strap, please pull the strap appropriately to ensure that the assembly is successful.
